"This is much more reliable—now I'm confident that every family gets the call or receives the message. We usually do the calls during the day specifically so that we get the answering machine. This way we don't inconvenience anyone with the call, but also, this way we know our message is heard—because everyone listens to their messages."

WENDY H., TEHILLAH HEBREW SCHOOL

We don't waste your time or your money!

No hardware to buy or install

No hidden charges, no PBX add-ons, no additional phone lines, no additional phone equipment, no support costs, no systems maintenance

No charges for ring time or for multiple re-dials to busy and no-answer numbers

No long-distance charges

No tying-up your internal phone lines or interruptions to your operations

No down time. Reliability is paramount—triple redundant systems, geographically diverse facilities, system uptime is 100%—guaranteed!

Resources are tight. Volunteers are great, but not always available. Even the most reliable staff takes time off. **One Call Now** is

available 24/7/365. Through rain, snow, threat or disaster—whether urgent or routine—

One Call Now delivers your messages to keep your congregation protected, informed and engaged.
